

BEGINNERS SHOTGUN CLASS
FOR WOMEN AND YOUTH

The Friends of the NRA have again have made it possible for the North East Sportmens Club to sponsor a class that will teach safety and firearms training in the sport of shotgunning. This will be a great opportunity for mothers, young women and youth to get acquainted with the shooting sports. The main emphasis will be on the safety factor, removing the fear and stigma of using a firearm, and safe handling of these weapons and perhaps adding a new sport that both you and your children could continue for a lifetime.

The Beginners Shotgun Class for women and students ages 12 thru 18 will start on Tuesday evening May 23, 2017 and run each Tuesday evening until the end of June, rain or shine. Classes will start promptly at 6:00 PM and last approximately 2 hours. The Sportsmens Club will provide shotguns, ammunition, targets, and safety equipment for each student. Class size is limited, and if there is a high number of youth signed up we may have an alternate evening for them. Parents are welcome to stay and watch from a distance. You will learn the safe handling of a firearm, learn the fun sport of trapshooting, and maintaining and cleaning of your firearm.

Those who took the class last year are welcome again, and may have some advanced training.

You may download an application form from the website, www.nesmc.com, complete the form and mail it with the fee of \$20.00 to the following address to insure your spot in the class:

Mail to: Linda Gilbert, 1732 Robison Rd W., Erie PA 16509

There will also be applications available in the display window on the club house patio. The Club is located on E. Townline Rd, North East.
