- I. Memberships: Seven (7) new members were approved:
- II. Previous Meeting Minutes: The minutes from the September meeting read by secretary and approved by the attending membership.
- III. Treasurer Report: Read and approved by attending membership.
- IV. Old Business:
 1. Several volunteers came to help clean and put away for winter the trap field equipment
 2. Painting the club house over the winter was discussed
 3. The staplers in need of repair were fixed and returned
 4. Dates the ranges to be closed for home trap meets will be posted in the spring when the Erie County Trap League schedule becomes available
- V. New Business:
 1. The financial statements/books from last year were reviewed; no discrepancies were discovered
 2. The club account at Stetsons Hardware needs to be updated to reflect who can charge on behalf of the NESC.
 3. NESC was contacted by the NRA about the club hosting a booth at the upcoming Sports and Travel show at the Bayfront Convention Center in March of 2022. A chairman to organize the booth is needed. This is a fundraiser for our club and the NRA has been a generous supporter of the NESC in the past. Booth supplies and NRA membership books are provided. **Any interested person needs to contact Scott Hammer ASAP at 814-323-0752.**
 4. Ken H reported on the success of Monday night open trap. He traditionally opens the fields for practice and/or lessons on the first nice Monday in April. This season he opened the trap fields for 27 Mondays. A total of 285 shooters participated. The revenue generated for the club was \$3,019.00. If a member would like a reminder text from Ken next April, give him your name and cell number. He will contact you.
 5. The treasure shared that it is time for the club's annual donation to the Greenfield VFD. Traditionally NESC donates \$100.00 A motion was approved to make the donation was approved by the membership in attendance.
 6. Bill S asked that all members continue with "Club Awareness." If while at the club, you notice something that needs addressed or taken care of, please contact Cliff Hammer and the appropriate person will be notified. If inappropriate use of the club facilities is witnessed, please gather as much information as possible such as a license plate number or description of individuals and share the information with Mr. Cliff Hammer.
 7. Scott H. thanked all the members for the work throughout the year to make the club grounds pristine.

8. Ken H. shared that the Cub Cadet mower needs serviced. Scott H. volunteered to trailer the mower to get repaired.

7:33 p.m. Motion to Adjourn by Gary B. Seconded by Bill S.

Next Meeting: (Second Monday of the month) February 14, 2022

Respectfully,

NESC Secretary
